SIR,

I have the honour to forward herewith for orders of Government a copy of the resolution of the Municipal Council passed at their meeting held on 26-12-1942 requesting Government to pass orders to grant every Municipal Councillor owning motor vehicle at least 6 gallons of petrol coupons per month in order that they may efficiently attend to unicipal work

I have the honour to be,
SIR,
Your most obedient servant,

Municipal Commissioner

Forwarded with compliments

This is the second time the resolution of the Council for increased number of petrol coupons has been passed and Commissioner to the Govt for favourable consideration and necessary directions. As is done in case of other essential services Municipal Councillors owning cars, an enquiry appeal is convenient to use them for public want of petrol. It is very difficult to group in appeal to the Chief Police Authority in every case. As a matter of course to all Municipal Councillors, supplementary coupons are refused

Mr V K Govindarajulu to move -

Proposition No 3

"Resolved that the Government be pleased to pass orders to grant every Municipal Councillor owning motor vehicle at least six gallons of petrol coupons per month in order that they may efficiently attend to Municipal Work "

Mr V K Govindarajulu moving his proposition said that the Government had written to them on the last occassion when a similar reference had been made that if they approached the Rationing authority for extra coubons they would be supplied and when they approached the latter, they were given to understand that it would simplify matters, if Government issued orders in the matter Hence they may send up a resolution to Government

Mr H R Guruv Reddy seconded the above and it was passed
